

Our goal is to reduce injuries and improve wellness through education, networking, and incentives.

Members are eligible for rebates on annual BWC premiums!

Safety Councils offers members the opportunity to earn a 2% participation rebate and/or a 2% performance rebate on BWC premiums, while learning best practices to keep employees safe and healthy!

The Northern Cincinnati Safety Council offers monthly meetings with educational topics such as Medical Marijuana in the Workplace, Accident Prevention, Risk Management, OSHA Updates, Active Shooter Training, Ergonomics, SDS Regulations and Procedures, Self Defense, First Aid and CPR Certified Training, and other topics, all determined by the members.

Members of Safety Councils have an opportunity each month to speak directly to BWC experts and are kept up to date on BWC programs and grant opportunities.

Guests are always welcome! Come experience our Safety Council on April 24, Topic: Runaway Claims; May 22, Topic: BWC Updates; and/or June 26, Topic: Emergency Preparedness.
