

Dear Sharonville Business Owner,

I am inquiring today on behalf of the Sharonville Youth Organization. The Purpose of SYO shall be to provide the Youth of Sharonville quality, supervised sports programs (Athletic and/or Recreational). Through this purpose, we hope to promote equal and fair competition in youth sports, encourage sportsmanship per SYO rules, regulations, and guidelines which will ensure safe, enjoyable, and fair competition.

We are in need of sponsors from our local Business owners in Sharonville and other communities to help fund our program.

On behalf of the Sharonville Youth Organization, I would like to thank you for your consideration of sponsorship. Without our volunteers and sponsors, our programs would not be possible. Your annual contribution helps to ensure we provide high-quality, affordable sports for the youth of Sharonville.

If you would like to learn more about the SYO and our programs, please visit <http://www.syosports.org>. If you or your company can help in any way to our program please fax back the form attached or contact me with any questions. Thank you again for your consideration of our program!

Sincerely,
