Click [here](#) to use the Find a Dentist tool and search by Zip Code, county or provider's last name. You may also contact DCPG's live customer service at (800) 367-9466 during business hours to find out if your dentist is in-network.

### **Customer Care the Wows**

Group administrators are assigned a dedicated DCPG account manager as well as an enrollment and billing specialist to provide quick resolutions to benefit questions or concerns, oftentimes resolving issues in just one phone call.
