

**Open Enrollment through July 15, 2019, for Program Year: July 2019 through June 2020**

The Northern Cincinnati Safety Council offers members Safety Education, Connections to Safety Experts and BWC representatives, and the Opportunity to earn a 2% Participation Rebate and/or a 2% Performance Rebate on BWC annual premiums.

**Our goal is to reduce injuries and to improve wellness through education, networking, and incentives.**

We host monthly meetings with educational topics such as Medical Marijuana, Accident Prevention, Risk Management, OSHA Updates, Active Shooter Training, Ergonomics, SDS Regulations and Procedures, Self Defense, First Aid/CPR Training, Workplace Harassment, and other topics determined by the members. Members of our Safety Council have the opportunity each month to speak directly to BWC experts and are kept up to date on programs and grant opportunities. In addition, the networking between members provides a forum for companies to share best practices.

**Visit our websites for current information:**
